

Just off shore a coral reef creates a perfect calm lagoon. Great for swimming, snorkeling and kayaking. Fishing is just steps away on the reefs starting point.

Inspiration Pointe! Inspiration Pointe!

This awesome pink sand beach, a special few will have the opportunity to call "HOME"

Located on the tropic of Cancer, Long Island is one of the beautiful family islands of the Bahamas. Approximately 80 miles in length and 4 miles at it's widest point.

Long Island has two airports with direct flights through Ft. Lauderdale and Nassau making getting here easy!

There are 4000 or so, English speaking full time residents. The friendliest people you'll meet anywhere!

Inspiration Pointe is located just 4 miles from Clarence Town, one of the Islands largest settlement. There you will find restaurants, stores and more beautiful beaches....

Only 24 lots are for sale in this Spectacular gated community. Each lot consists of approximately 17,000 square feet. Surrounded with dense tropical foliage, all lots are private and secluded. Every lot has beach access to this incredible 3 mile strand of pink sand!
